

HEALTH CARE COSTS

POLICY.

Inmates are responsible for the cost of their health care while incarcerated, in accordance with ORS 169.150 and 169.166. The health care staff will provide necessary and equal health care services to all inmates regardless of their ability to pay for services.

PURPOSE.

This policy provides guidelines for staff when charging and collecting fees from inmates receiving health care services. Holding inmates accountable for some services received while incarcerated may contribute to their rehabilitation.

OREGON JAIL STANDARD:

- G-103 Cost of Health Care Services

DEFINITIONS:

Health Care Staff. Any professional who is licensed or certified to provide health care services in Oregon, including physicians.

Funds. Includes, but is not limited to monies deposited with the Adult Jail or Work Center for inmates housed in those facilities, and any other monies received by the jail or Sheriff's Office that are not required by law to be credited to other State or County accounts.

PROCEDURES.

SECTION A: ACCESS TO HEALTH CARE

A-1. The health care staff will provide reasonable and adequate health care services to all inmates regardless of their ability to pay for services.

SECTION B: REQUEST FOR HEALTH CARE

- B-1.** All inmates requesting health care services are subject to fees. Inmates will be charged when submitting a Health Care Request, for medications, for medical items, or during an emergency situation.
- B-2.** The inmate who requests health care services while incarcerated may be charged a nominal fee. However, necessary services will not be denied due to the inability to pay.
- B-3.** Inmates receiving health care services will sign one of the below listed forms:
 - a. *Health Care Request Form No. 545*; when requesting to see the facility medical staff and to receive health care services from facility health care staff and/or other treatment.
 - b. *Medical Services Rendered Form No. 546*; when receiving health care services from facility health care staff or and other treatment.

SECTION C: ADMINISTRATION OF HEALTH CARE COSTS

- C-1.** Funds placed on an inmate's commissary account will be used to pay for all or part of the medical charges. Staff will deduct the inmate's account after the inmate receives the health care service.
- C-2.** If the inmate is indigent, health care services will be charged to the inmate's account; a negative balance will be kept, and may be deducted from any future money placed on the account. This includes any future incarcerations.
- C-3.** When funds are removed from an inmate's account for health care services, inmates will receive a receipt for services.
- C-4.** Inmates will not be charged fees for intake screenings, and 14-day health assessments, periodic health assessments, or exams required by jail policy and procedures.
- C-5.** Inmate's personal health insurance may be charged for the provision of any health care services.
- C-6.** Jail staff may take additional steps to legally collect any unpaid funds, if inmates are released from custody with unpaid medical charges.
- C-7.** Funds for health care costs will be deposited into the Sheriff's Office Revenue Account. The Corrections Captain will review the jail's commissary accounts on a monthly basis.
- C-8.** Inmates will assume financial responsibility for elective procedures with personal physicians in accordance with Policy CD 10-14, *Private Medical/Mental Health Consultation*.

SECTION D: FEE SCHEDULES

- D-1.** Established fee schedules for health care services are approved by the Board of County Commissioners (BOCC). The medical fee schedule may be changed on a yearly basis and approved by the BOCC. The current fee schedule is listed on the *Health Care Request Form No. 545*.
- D-2.** The medical staff will inform the inmate that he will be charged a fee for health care services as set out on the *Health Care Request Form No. 545*.
- D-3.** When inmates are processed into the facility, they receive written notification of their responsibility to pay for health care services received on the *Intake Medical Screening Form No. 501*.
- D-4.** Over-the-counter medication fees are posted on the medication cart and are visible at the time of purchase. Fees for over-the-counter medications are deducted at the time of purchase from the inmate's account. Over-the-counter medication will be charged to the inmates' account regardless of their ability to pay.

SECTION E: GRIEVANCES

- E-1. Inmates will follow procedures set out in the [Inmate Grievance Policy No. CD-6-7](#), to challenge health care service charges being deducted from their account.
