

ACCESS TO DIAGNOSTIC SERVICES

POLICY.

It is recognized the laboratory and diagnostic services available inside the Deschutes County Sheriff's Office – Adult Jail (AJ) to the medical staff for the adequate care of the inmates are minimal; therefore, those laboratory and diagnostic services deemed necessary and appropriate by the Facility Provider will be obtained from the community. In order to provide continuity of care to the inmates, laboratory and diagnostic resources are listed below.

PROCEDURES.

SECTION A: SERVICE PROVIDERS

A-1. Laboratory and diagnostic services for the AJ are provided generally through the following sources:

- a. On-site diagnostic tests available at the AJ are as follows: finger-stick blood glucose test, urine testing (dip), occult blood stool testing, Quickvue strep test, pregnancy test, peak flow, and A1C blood tests.
- b. InterPath Laboratory
920 Emkay Dr. #103
Bend, Oregon 97702
541-330-2641
- c. St. Charles Medical Center (Central Oregon Regional Lab)
2500 NW Neff Road
Bend, Oregon 97701
382-4321—Emergency Room Extension 7100
- c. Mobile Crisis Assessment Team (MCAT)
2577 NE Courtney Dr.
Bend, Oregon 97701
541-322-7500
 - 1) MCAT provides on-call mental health evaluations on an emergency basis.
- d. Central Oregon Radiology
