TREATMENT PROTOCOL

DIARRHEA

1. Symptoms/Presentation:
   - Frequent passage of unformed watery bowel movements.

2. Obtain medical history:
   - Has inmate had this before?
   - If yes, what medication did he/she take?
   - How many days has diarrhea persisted?
   - How often must inmate use the bathroom?

3. If more than one loose stool, contact Facility Nurse or Facility Provider.
