To all Sheriff's Office Civil Managers,

As you all know the Department of Administrative Services (DAS) determines the cost of living increase/decrease every four years, based on changes in the Consumer Price Index. On January 1, 2021 the Department of Administrative Services (DAS) issued a 11% CPI increase.

Section 3, chapter 390, Oregon Laws 2017, provides:

Sec. 3. (1) *On January 1, 2021, the Oregon Department of Administrative Services shall determine the cumulative percentage increase or decrease in the cost of living for the previous four years, based on changes in the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor. The Oregon Department of Administrative Services shall adjust the fees under ORS 21.300 (1) and (4) as follows:*

(a) If the cost of living has increased, the department shall adjust the fees by multiplying the fee amounts by the percentage amount determined under this subsection. The department shall round the adjusted fees up to the nearest \$1. The adjusted fees become effective on July 1, 2021, and apply to all fees incurred on or after July 1, 2021.

(b) If the cost of living has not increased, the department may not change the fees.

(2) *After the department adjusts the fees under ORS 21.300 (1) and (4) as provided in subsection (1) of this section, the department shall promptly notify the Oregon State Sheriffs' Association of the adjusted fees.*

Due to this CPI increase the Oregon State Sheriff's Association will be increasing the Sheriff Sale posting fee to \$330.00 per sale effective July 1st, 2021.

Any sale that is received by OSSA on or after July 1st will be billed at the \$330 fee.

For reference sheriff sale fees started at \$250.00 in 2009 with the first increase on July 1, 2017 to \$300.

Any questions or concerns please feel free to reach out to me.

Sincerely,
